Fees and billing

EK Medical is a mixed billing practice. The following patient types are eligible for bulk billing:

Children aged under 16 years old, all students (including university), pensioners and healthcare card holders

Bulk billing applies to the above patient groups for medical consultations and minor procedures. However, for more complex procedures, an out of pocket expense may apply.

Otherwise our fees are as follows:

Appointment type	Total cost	Medicare rebate	Out of pocket expenses
Nurse appointment			
Brief consultation (under 5 minutes)	Bulk billed	–	–
Standard consultations (5-20 minutes)	\$70.00	\$38.75	\$31.25
Longer consultations (20+ minutes)	\$110.00	\$75.05	\$34.95
Skin checks	\$130.00	\$75.05	\$54.95

Patients without Medicare are welcome at our Practice; however, the above consult fee is payable at time of consultation.

Results

We will contact patients if they are required to return about their results, this appointment will be bulk billed. If you would like to discuss your results please make an appointment. You can also call between 2-2.30pm on Tuesdays and Fridays 1 week after your blood test and our nurse will be available to discuss your results.

Reminders

For the continuing management of our patient's health we utilise a systematic reminder system to provide health promotion, preventative care, and early detection of disease. Please let our staff know if you would like to opt out of this reminder system.

Communication by phone/email

If you need to speak to the Dr by phone during surgery hours this can be arranged, if the Dr is unable to take your call, we will take a message and have your call returned. Emergency calls will always be put through.

Email is available at the discretion of our reception staff; patients are required to send the practice an email in the first instance requesting such. This is used as consent and kept in the patient file. Our admin staff cannot give clinical information over the phone or via email.

Management of your personal information

We are committed to protecting the privacy of patient information and to handling your personal information in a responsible manner in accordance with the Privacy Act 1988 (Cth), the Privacy Amendment (Enhancing privacy Protection) Act 2012, the Australian Privacy Principles and relevant State and Territory privacy legislation (referred to as privacy legislation). A brochure can be obtained from reception for further information.

Providing feedback or making a complaint
